## BUYING GUIDE

**92** **Trenza 2008 Blanco (Edna Valley); \$20.** A wonderfully rewarding wine. It shows the dryness and crisp acidity you want in a savory white, and the fruit flavors, of peaches, grapefruits and green apples, are controlled and subtle. There's just a touch of oak, which adds softness, and of creamy lees. Brilliant and distinctive. Albariño and Grenache Blanc. *Editors' Choice.*
